BRIEF DESCRIPTION OF TRAINING PROGRAMME

GEM REGISTRATION E-MARKETPLACE & E-TENDER

GOVERNMENT E-TENDERING

LIVE PRACTICAL INTERACTIVE SESSION

About Programme: GeM portal (Government e-Marketplace) is an online portal launched by the government through which Government issues tenders for various day to day needs of different government organizations, public sector undertakings and departments. The main aim of introducing the GeM portal is to enhance transparency, efficiency, speed in public procurement as well as employment. By registering through this portal, the seller as well as buyer can buy or sell their products to the government. The main objective of the GeM is to ensure transparency and effectiveness.

Who Should Attend: GEM registration helps to authorize the manufacturer, small dealers and service providers to enter the wide and interactive online platform, where they can directly sell their products & services to various buyers from the government departments, organizations and PSUs. It enables the authorized governments to buy the goods and services directly from the private traders and manufacturers instantly and hassle-free. GeM is a portal where the buyers and sellers can register their products either through direct purchase or auction
